Description

The Swan 46 is to this day one of the most popular models to come out of the world-renowned yard. The reason for their great success was the combination of modern performance design and luxurious living which not only appealed to many owners but also proved itself time and time again as the ultimate performance blue water cruising yacht.

DESIGNER'S COMMENTS: "Beautifully responsive to sail, small enough for two or three competent crew to handle, yet big enough to accommodate a family of six in complete comfort." German Frers

'Tropic Star' also has an interesting history as she was built for one of the Swan Yard owners and used as the starters boat for the infamous Americas Cup series held in WA.

Given she was the Swan owners yacht she was meticulously managed throughout her construction and stepping aboard her today, you will discover that she had been built to last and lovingly looked after by her current custodians.

This stunning yacht comes ready to sail with many upgrades including:

-Taller 3 Spreader Performance Rig replaced in 2023

-New 75HP Volvo Penta Installed in 2019 with very low 460hrs

-Generous Sail Wardrobe

-Removable Inner Forestay, Hydraulic Vang and Backstay

-Teak Decks replaced 2019

-Salt Water Deck Wash in Bow

-Updated B&G 3000 Wind Instruments

This gorgeous yacht comes ready to sail, she has just been Antifouled in September 2023 and comes with an Achilles Inflatable tender and 8hp outboard.

'Tropic Star' is easy to view and located on the marina in front of our office at the RPAYC, for further information or to organise a viewing please contact the team at SMB today.

Thinking About Buying?Whether you're buying your first boat or upgrading to something new, making the right decision starts with the right information. Visit our Boat Owners Hub for practical advice, buying guides and tips from our experienced brokerage team.
