Description

Talk about stunning!

The owners of this great Swanson 36 have decided its time to visit the dark side...so their beloved Swanson 36 has hit the market, and she is certainly one you could easily fall in love with!

First launched in 1984 'Seakeeper' is in excellent condition, she features new covers and clears, a huge entertaining cockpit, princess seats at the stern, and incredible volume for a 37ft yacht. Stepping on board you first notice the clean decks and lines, and plenty of useable deck space.

Internally the head room is fantastic and the owners have her currently set up with a day bed rather than a saloon table, naturally this can be raised if you have extended family for lunch or dinner, but it's all about relaxing on this great yacht, a feeling you instantly get.

A good size galley and huge fridge space, makes long stays on the boat not just possible but a joy, and to stern there is a good sized sea berth and access to the stern for storage.

One of my favorite points on this great yacht are the windows between the cockpit and the saloon, allowing for ample light and air flow.

Some of 'Seakeepers' other excellent features include:

- Raymarine Chart Plotter and Auto Pilot
- Epower 2000 Inverter and Charging System
- Contec 2 KVA Genset
- Barlow Winches
- Muir Electric Windlass with cockpit control
- New Shore Power and Batteries (2019)
- Near New Island Inflatable with New 5hp Yamaha Outboard (2020)
- New Life Lines (2019)
- New stern gland drip less Seal
- All winches serviced 2020
- New switchboard
- New Fridge and Freezer in 2019

If you are looking for a reliable, comfortable and lovingly looked after Swanson 36, then 'Seakeeper' is a must to inspect. For further information or to organise a viewing please contact us today.
