## Description

'Van Demon' is just pure power. This boat is a no compromise racer yet features a comfortable and roomy interior - powerful upwind, awesome downwind!

With the masthead or fractional spinnaker this is a no compromise racer - it can take you at a pace you've never been before.

The T870 has excelled in Europe, Australia and the USA where it has won many races.

'Van Demon' comes ready to race in Cat 7, (19/20 Season), with a quality sail wardrobe and she presents in turn key condition.

Her light weather performance is second to none, and will certainly dominate her division at your local club.

The extendable prod assists in sailing low downwind angles with asymmetric spinnaker. The light weight of the yacht means towing is easy with a large car.

If it's club racing or twilight racing, she is ready to go and priced to sell.

Having sailed on this boat I can say, she performs beautifully even in light air, she accelerates quickly from a stand-still and turns on a dime.

If you are looking for a fun and fast club racer, she definatly worth a look, please contact us today for further information or to organise a viewing.
