Description

This beautiful classic Pilothouse motor sailor 'Sabaay' is a great long-range cruiser, comfortable for live aboard and very fuel efficient. A Joe Adams hull design and built by Eddy Buizen.

This is your opportunity to own a very sea worthy, deceptively spacious cruiser/motor sailor. The beauty of 'Sabaay' is her combination of the best features of sailing combined with motor cruising. She is in excellent condition for her age regarding her structure, hull and engines as well as her well-proportioned internal living area.

From the moment you step aboard you will be amazed at the clean lines of the hull and the immaculate varnished woodwork. A testimony to the current owner and builder of this vessel.

Step through from the cockpit into the large saloon, comfortably accommodating at least 8 people. She has an internal helm that is a fully operational steering station driven by hydraulics. The helm is fitted with excellent electronics and engine controls at hand.

This very sought-after pilothouse motor sailor is fitted with a Volvo Penta 45kw (60HP) MD21B., allowing her to produce a top speed of 8 knots. Some of her great features include:

- Brand new rigging April 2020
- Twin Helm configuration
- Bow Thruster
- Size able kitchen with large fridge, and new Plastimo Atlantic oven.
- Stunning varnished woodwork redone 2019
- Huge cockpit area
- Reinforcement of high stress areas with fibreglass bedded chainplate knees and engine bearers.
- Teak throughout in immaculate condition
- Anti-Fouled April 2020

If you are looking for a safe, strong, ocean going motor sailor that is priced to sell, be quick and don't miss this incredible opportunity to own "Sabaay!"
